Dear UH Baseball Season-Ticket Holder:

Aloha and CHEEEE-hoo!

Huge Mahalos to you for your support of Rainbow Baseball! This 2022 season promises to be super exciting as we usher in a new era and have the chance to pack the Les again! It was always tough to play here as an opponent, and the main reason was the passionate fan base as well as the spectacular venue.

This year the Rainbows feature a roster that is heavy with local talent. From Cade Halemanu pitching aspirin tablets, Jacob Igawa hitting rockets, and newcomers Cole Cabrera and Kyson Donahue coming home to paradise for a #PARTYATTHELES!

Come out to see National powers Vanderbilt, Washington State, and Rutgers as well as nationally ranked Big West opponents at home UCI, UCSB, and Cal Poly. There isn't a better college baseball venue to see Hawaii's team!

I believe you are really going to enjoy our up tempo, high energy, pressure offense style baseball. Coupled with our deep pitching staff and improved defense, I believe we have the ingredients for success.

All of the details you need to know to jump on board this great experience are enclosed!
