Dear UH Baseball Season-Ticket Holder:

Aloha and CHEEEE-hoo!

I can't wait to get the 2024 season started as we continue to build off of our success last year. You make all the difference for why the Les gets national attention for being one of the best and toughest places to play.

Take a look at our schedule and our roster! How can you not be excited?! Our non-conference schedules feature two perennial powers, Ole Miss and NC State. Followed by an always tough home Big West schedule with UC Irvine and Cal State Fullerton. I'm proud of the competition we will face this season, as Hawai'i will be represented against some of the best in college baseball.

Now, let's talk about this roster! Loaded with local talent in Jordan Donahue, Kyson Donahue, Ben Zeigler-Namoa, Dallas Duarte, Stone Miyao, Tai Atkins, and Aaron Ujimori to name a few. Behind the efforts of these young men, we have outstanding leaders on the diamond, in the classroom, and in the community. They and our entire roster love the support you provide them every game.

I'm looking forward to this season because it has all the makings of being special. It's one where I've been counting down the days since our final at-bat last season when Stone Miyao hit a walk-off against UC Santa Barbara. We're excited, and I know you are too!
