

Important Information if you are Planning to Attend a UH Sporting Event

All attendees (exception, children under the age of 5), must provide proof of **full** vaccination **OR** a negative COVID-19 test within 48 hours (two-days) prior to entry. The negative COVID-19 test result must be from an FDA approved, or FDA EUA approved, molecular or antigen test (**home kits not allowed**).

Prior to arriving on campus, please upload vaccination information or negative COVID-19 test results and check in with the LumiSight UH app. This will help reduce long lines and keep the flow of pedestrian traffic moving.

- Download the free LumiSight UH app and upload your vaccination information into the app 24 hours before the event. **LumiSight UH is available for free** on the **Apple App Store** and the **Google Play Store**. It is also available on the **LumiSight UH website** at <https://uh.campus.lumisight.com/> for those without access to a suitable mobile device, or those who prefer not to download the mobile app.
- On the day of the event, you must complete the LumiSight UH daily health screening for COVID-19 symptoms and possible exposure, which takes less than a minute.
- Everyone **must** present the green "You may report to campus" status with the current date on the app to enter the SimpliFi Arena at Stan Sheriff Center.
- Fans will also be able to show their vaccination cards with picture I.D. on site and answer the COVID-19 health check questionnaire but should expect longer wait times to enter.
- All fans are encouraged to arrive early to allow time for all safety protocols to be in place for our fans.
- Face coverings are still required (children age 2 and above) at all times, whether indoors or outdoors, except while actively eating or drinking.
- Sodexo concession stands will be open for events. The consumption of food and beverage will be allowed. However, outside food and beverages are prohibited in the SimpliFi Arena at Stan Sheriff Center.
