Dear UH Men's Volleyball Season-Ticket Holder:

On behalf of our coaches and student-athletes, mahalo to the best fans in collegiate men's volleyball for your continued support, passion, and love for this University and storied program. Thanks to you, we once again led the nation in attendance in 2022. You all play a pivotal role in the continued success of this team and are the foundation that has allowed us to bring home back-to-back National Championships to the state of Hawaii.

In 2023, our goals remain unchanged as we look to make yet another championship run. We hope to provide you with exciting performances and can't wait to get back in front of the number one fans in the nation.

Last year was unforgettable as we finished undefeated at home for the third time in the last six years and captured our second consecutive NCAA title. We have a great squad returning this year with 14 lettermen and all seven starters from last year's squad including All-Americans Jakob Thelle, Spyros Chakas, and Guilherme Voss.

Our 19-match home schedule includes four NCAA Championship teams, including semifinalists UCLA, Ball State, and Long Beach State along with Pepperdine. We are also excited about the return of the Outrigger Resorts Invitational with longtime participants UCLA and Penn State making up the field with Purdue Fort Wayne.

For your convenience, you may renew your Rainbow Warrior Volleyball season tickets online at www.eTicketHawaii.com. By doing so, you will save \$10.00 on your handling fee.

Aloha and Mahalo,
